TRADING

What is trading and how it works?

Stock trading involves buying and selling stocks frequently in an attempt to time the market. The goal of stock traders is to capitalize on short-term market events to sell stocks for a profit, or buy stocks at a low. Some stock traders are day traders, which means they buy and sell several times throughout the day.

How to trade stocks

- ✓ Open a brokerage account.
- ✓ Set a stock trading budget.
- ✓ Learn to use market orders and limit orders.
- ✓ Practice with a virtual trading account.
- ✓ Measure your returns against an appropriate benchmark.
- ✓ Keep your perspective.
- ✓ Lower risk by building positions gradually.
- √ Ignore 'hot tips'
- ✓ Keep good records for the IRS
- ✓ Choose your broker wisely
